ALL COUNTY INFORMATION NOTICE I - 92-85

TO: ALL COUNTY WELFARE DIRECTORS
ALL CHIEF PROBATION OFFICERS
ALL ADOPTION AGENCIES

SUBJECT: AID TO FAMILIES WITH DEPENDENT CHILDREN-FOSTER CARE (AFDC-FC) GROUP HOME RATE SETTING MANAGEMENT INFORMATION SYSTEM

The attached printout is provided for your information. This data shows the percent of cost by category for each regular ongoing AFDC-FC funded group home program for which a Fiscal Year 1985/86 rate has been established. The data is based on costs reported to the Department of Social Services (DSS) by group home providers for Calendar Year 1984.

Among regular on-going providers statewide, the average (arithmetic mean, weighted by actual occupancy) percentages of costs incurred by cost category are as follows:

Administration:	20.1%
Building and Equipment:	22.7%
Child Related, e.g. food, clothing, school supplies:	15.9%
Direct Child Care:	41.3%

Please note that some group home programs report costs differently than others (e.g. contract with house parents to pay an amount which covers all child related costs as well as costs of direct client care). All information is reported here just as the providers reported it to the Foster Care Rates Bureau. No standard spending pattern is implied to be advocated by the Department.

Other provider information can be shared with counties according to county interest and state resources. We would appreciate your comments regarding the usefulness of this information, and/or suggestions about what other types of information would be helpful to you. If you have any questions regarding these figures, please call the Foster Care Rates Bureau at (916) 323-1263.
