ALL-COUNTY INFORMATION NOTICE I-51-81

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: APSB INFORMATIONAL WORKSHOP

REFERENCE:

The Office of Services to the Blind of the State Department of Social Services will be conducting a one day regional conference on Aid to the Potentially Self-Supporting Blind (APSB) on April 28, 1981, in Los Angeles and May 12, 1981, in San Francisco. This workshop will provide an exchange of information between the State and local levels as well as other state agencies and community based organizations regarding issues pertinent to services to blind individuals.

The agenda for this meeting will include an overview of the current APSB program, and a discussion of the SSI/SSP Self-Support Plan. There will also be short presentations by a Rehabilitation Counselor for the Blind, a Social Worker, and a Representative from Sensory Aids Foundation who will discuss their roles and how they relate to comprehensive services through interagency cooperation.

Due to the relevancy of these issues to the local servicing of visually impaired individuals, we strongly urge that all counties participate by having the Designated Worker(s) for the Blind and their Supervisor(s) attend.

Southern counties including San Luis Obispo, Kern, and San Bernardino are encouraged to attend the workshop in Los Angeles on Tuesday, April 28, 1981, in the Auditorium at 107 South Broadway.

All northern counties are invited to attend the workshop in San Francisco on Tuesday, May 12, 1981, at 350 McAllister, Room 1194, in the General Services Building. There is ample parking in both locations for a fee.

If you have any questions or need additional information, please call Lynda Bardis or Donna Brown at (916) 445-7280.

We would appreciate knowing how many staff will be attending from your county. Please return the following form to Lynda Bardis, Chief, Office of Services to the Blind, 744 "P" Street, Mail Station 5-134, Sacramento, California 95814, as soon as possible.

Sincerely,

MARION J. WOODS
Director

ALL-COUNTY INFORMATION NOTICE I- 50-81

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: DSS OFFICE OF REFUGEE SERVICES

REFERENCE: ACL 80-29, MAY 13, 1980 AND ACIN I-54-80, MAY 28, 1980

The purpose of this letter is to outline the organization and responsibilities of the Office of Refugee Services (ORS) in the Department of Social Services (DSS) and to provide County Welfare Departments (CWDs) with information about support services being provided to Indochinese refugees during Federal Fiscal Year (FFY) 1981 (October 1, 1980 through September 30, 1981) by agencies other than CWDs.

## Office of Refugee Services

ORS was established in response to the enactment of the Refugee Act of 1980 (Public Law 96-212). This office centralizes responsibility for management of refugee assistance programs into a single component within DSS to provide greater assistance to CWDs in the administration of the Refugee Resettlement Program and the proposed Cuban/Haitian Entrant Program. The Chief of ORS, Ms. Jo Frederick, reports directly to the Director, DSS. An organization chart is attached (Attachment 1). Effective immediately, with the exceptions noted on the attached chart, CWDs are requested to address questions concerning the administration of refugee programs and other programs related to refugees or Cuban/Haitian entrants to:

Ms. Jo Frederick, Chief
Office of Refugee Services
Department of Social Services
744 P Street, M/S 17-09
Sacramento, CA 95814
Telephone: (916) 322-3141

## Refugee Support Services

It has not been possible in the past for all CWDs to meet all of the needs of Indochinese refugees for support services. Therefore, DSS has contracted with agencies other than CWDs for the provision of complementary support services to

Indochinese refugees during FFY 1981. These agencies include the State Department of Education and the State Department of Mental Health, which are providing child day care services and mental health services, respectively, to Indochinese refugees through subcontracts with other organizations. Attached is a list of support service providers (Attachment 2). ORS is prepared to assist CWDs and these providers to coordinate their activities in order to ensure that the full range of services is made available to all eligible Indochinese refugees and to eliminate any duplication.

The rapid attainment of refugee self-support and self-sufficiency is primarily the result of CWDs, public and private agencies, and individuals committed to providing resettlement opportunities at the local level. ORS' goal is to help CWDs and other providers of refugee support services in the continued success of this effort.

A copy of the state's plan for Refugee Assistance and Services is enclosed for your information. Please contact Ms. Frederick and the ORS staff if you have any questions or concerns about the resettlement of refugees in California or the administration of the Refugee Resettlement Program.

Sincerely,

ROBERT ROWLEY
Chief Deputy Director

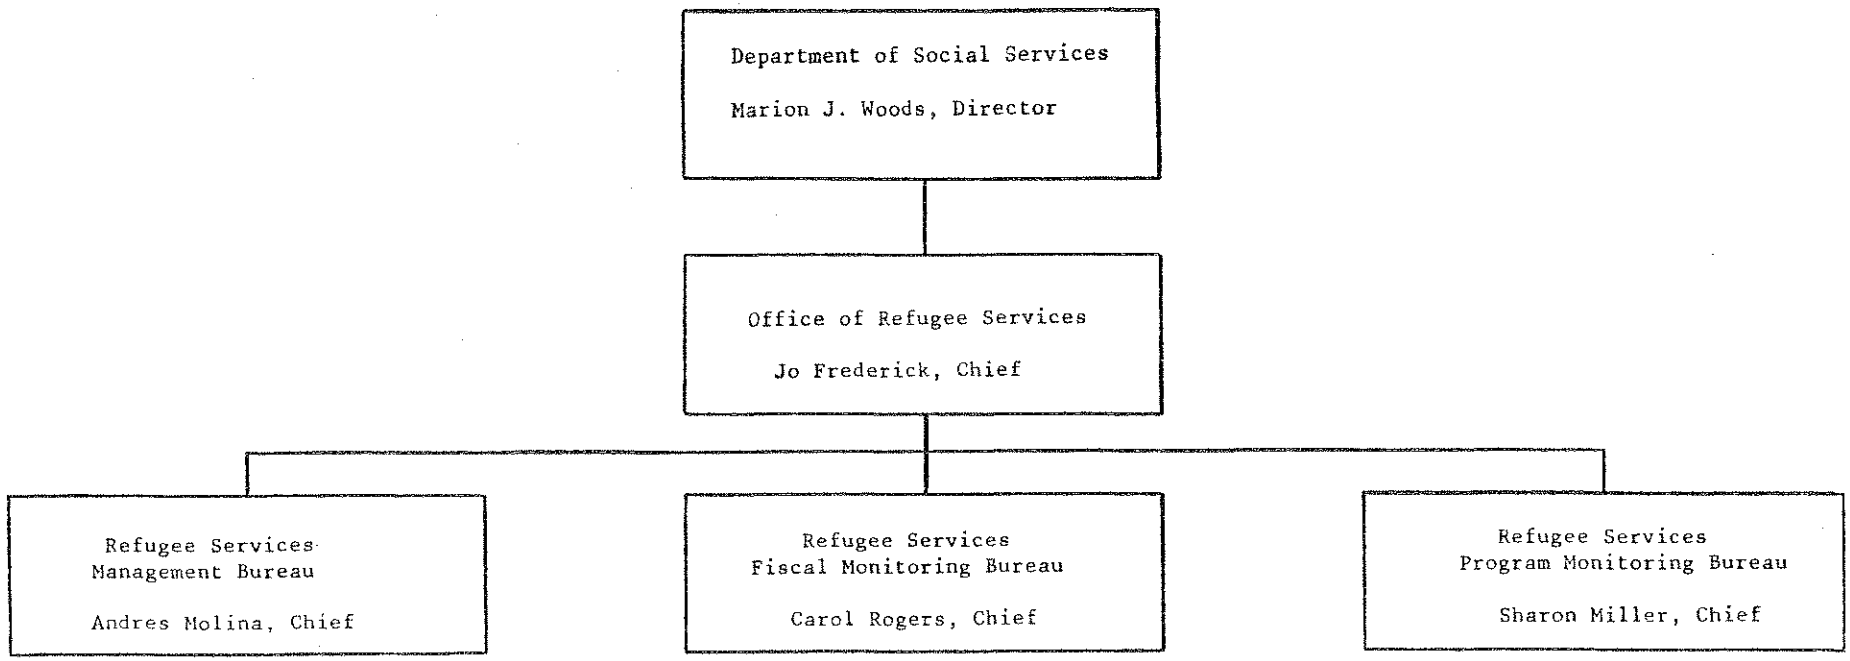
ORGANIZATION CHART



The Management Bureau is responsible for providing instructions, guidance, and assistance to CWDs on the delivery of special Refugee Cash Assistance and on the administration of the Refugee Unaccompanied Minors Program.* It is also responsible for policy questions related to refugee support services and for monitoring the Department's interagency agreements with the State Department of Mental Health and the State Department of Education for the provision of mental health services and child day care services, respectively, to refugees.

The Fiscal Monitoring Bureau is responsible for monitoring the fiscal and accounting systems and operations of service providers (other than CWDs) and providing them with training and technical assistance designed to ensure their financial integrity, their compliance with applicable regulations and contract provisions and the most effective and efficient use of program funds.**

The Program Monitoring Bureau is responsible for monitoring the delivery of support services to refugees by CWDs and by other public and private nonprofit agencies and for providing them with guidance and assistance designed to ensure that these services are provided in an effective, efficient, and equitable manner throughout the state.

*It should be noted that all matters relating to the program for Aid to Families with Dependent Children (AFDC) continue to be the responsibility of the AFDC Program Management Branch in the Welfare Program Operations Division, and all questions relating to AFDC should be referred to that Branch.

**The Fiscal Policy and Procedures Bureau (previously known as the County Fiscal Administration Bureau) in the Administration Division continues to have responsibility for all matters relating to the fiscal policy and procedures of CWDs and all questions relating to such matters should be referred to that Bureau.
