ALL-COUNTY INFORMATION NOTICE NO. I-116-87

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: EMPLOYMENT PROGRAMS REORGANIZATION

This is to inform you of organizational changes in the GAIN and employment programs area. In order to give adequate attention to both the day-to-day administrative functions as well as the public relations aspects of the programs, responsibility for GAIN operational and public relations functions have been split between two deputy directors, Mr. Dennis Boyle and Mr. Carl Williams. Mr. Boyle, Deputy Director for Management Systems and Evaluation Division (MSED), is now responsible for the operational functions of the GAIN and the other employment programs in addition to his other functions.

Ms. Kathy Lewis, formerly Chief of the Adult Services and Operations Branch, is now Chief of the Employment Programs Branch which is now within MSED. The Branch is responsible for the day-to-day management of GAIN and the other Departmental employment programs. Mr. Bruce Wagstaff is now the Manager of the Operations Bureau which now incorporates all of the GAIN County Administrative Expense Control staff as well as the program staff. The organization chart for the Branch is attached for your information. In addition, an updated list of County consultant assignments is included for your information. Because there are still some vacancies, additional changes are anticipated. In reassessing county assignments, SDSS has made every effort to avoid unnecessary changing of assignments.

Mr. Carl B. Williams, Deputy Director, GAIN External Affairs, is now responsible for promoting the program throughout the State. In this capacity he is responsible for the oversight and management of marketing/advertising contract with The Pacific Group of Companies, management of the GAIN Speakers Bureau, analysis and response to Federal Legislation related to welfare reform, congressional testimony, promoting GAIN to the private sector, encouraging teen parents to participate in the program and preliminary efforts to encourage child care in the private sector.

Also attached for your use is our most recent listing of County GAIN Coordinators and their telephone numbers. We encourage Counties to keep their State consultants informed of any errors or changes so that we can keep this list current.

Allocations for Food Stamp Employment and Training will continue to be done by the Employment Programs Branch. County Administrative Expense Control Bureau will continue to do allocations for WIN Demo.

Any questions regarding the above may be addressed to your GAIN and Employment Services consultant.

DENNIS J. BOYLE
Deputy Director
