ALL COUNTY LETTER NO. 86-25

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY AUDITORS
ALL COUNTY FISCAL OFFICERS
ALL COUNTY ADMINISTRATIVE SERVICES OFFICERS
CHIEF PROBATION OFFICERS
ADOPTION AGENCIES

SUBJECT: AID TO FAMILIES WITH DEPENDENT CHILDREN-FOSTER CARE (AFDC-FC) HOMEFINDING AGENCY RATE NOTIFICATION LISTING

REFERENCE: OPERATIONS POLICIES AND PROCEDURES (OPP) 11-403

The purpose of this letter is to transmit AFDC-FC homefinding agency program (HFA) rates for Fiscal Year (FY) 1985-86.

The Rate Listing contains all HFA program rates set by the Department of Social Services (DSS) during FY 1985-86, and includes some rates from the previous fiscal year that remain in effect for all or part of FY 1985-86.

This is the first statewide listing of FY 1985-86 homefinding agency rates and includes rates for newly established programs. Additional new rates will be set throughout the year and other rates may yet be changed due to rate reviews or hearings. You will be notified of these changes.

The Rate Listing is arranged alphabetically by provider name and supplies the following information:

Name of the Agency
Name of the Administrator
Telephone number
Mailing address
Program number
Program name
Age range
Treatment rate
Non-treatment rate
Effective date of the rate
Percentage of the rate eligible for federal and/or state funding

For the purpose of claiming state and federal funds, the rate is identifed in two components:

NON FED SW SERV - This is the portion of the rate that represents those social work activities not eligible for federal funding.

ST/FED BASIC - This is the portion of the rate that represents basic care and supervision and is eligible for state and federal funding.

Please note that the entire rate must be claimed nonfederal if either the facility or the child is not federally eligible. In some instances, the claiming percentages for each of the components of the rate may differ from those currently being used. It may be necessary to adjust previously submitted claims.

The "effective date" shown is the date the provider should begin to receive rate increases authorized by the Department. The effective date is missing in cases of new programs and new providers, as the date of the first AFDC-FC homefinding agency placement is the effective date of the rate. This is not reported to the Department.

If the provider's new rate is higher than the rate currently being paid, the new rate is effective retroactive to the "effective date" and an underpayment adjustment should be made.

If you have any questions, please contact the Foster Care Rates Bureau at (916) 323-1263.

Sincerely,

ROBERT A. HOREL
Deputy Director
