STATE OF CALIFORNIA—HEALTH AND WELFARE AGENCY

DEPARTMENT OF SOCIAL SERVICES
744 P Street, Sacramento, CA 95814

August 10, 1990

ALL-COUNTY INFORMATION NOTICE NO. I-60-90

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY GAIN COORDINATORS
ALL TCC PROGRAM COORDINATORS

SUBJECT: COOPERATION BETWEEN GAIN/TCC/AFDC AND HEAD START

This is to inform you of an agreement between the State Department of Social Services (SDSS) and the Office of Human Development Services (OHDS) of the U.S. Department of Health and Human Services, Region IX, regarding coordination and cooperation between SDSS' Greater Avenues for Independence (GAIN), Transitional Child Care (TCC) and Aid to Families with Dependent Children (AFDC) Programs and OHDS' Head Start Program. Head Start provides a number of valuable services which can benefit participants of GAIN, TCC, and other AFDC applicants and recipients. The interagency agreement has been entered into with the intent of enhancing communications, coordination and partnership between Head Start and GAIN/TCC/AFDC program administrators at all levels of administration throughout the State. Specific objectives are to:

1. Enable Head Start families to increase their self-sufficiency through training/employment opportunities offered by GAIN;

2. Enable GAIN, TCC and other AFDC clients to benefit from Head Start services including child and parent development services;

3. Make a commitment to address transitional needs of families served by these programs as they move into full employment and family self-sufficiency in order to ensure successful long-term transition.

The MOU provides that SDSS agrees to take the following actions in order to achieve these objectives:

1. Encourage County Welfare Departments (CWDs) to communicate with their local Head Start agencies to explore the availability of Head Start Services for GAIN, TCC and other AFDC clients; and

2. Encourage CWDs to work with local Head Start agencies in coordinating and developing cooperative procedures for the delivery of available services.

In accordance with the MOU, we request that CWDs communicate and work with local Head Start agencies in order to achieve the objectives of the interagency agreement. SDSS will do everything it can to facilitate and assist county efforts. Early childhood education is a key strategy for breaking the cycle of dependency. With this in mind, we encourage you and your staff to meet with local Head Start administrators in order to identify those areas where cooperative efforts can result in more effective delivery of services to families which are eligible to participate in programs operated by CWDs as well as programs offered by local Head Start administrative agencies.

Attached is a list of local Head Start agencies' and program administrators' addresses and telephone numbers for your information. A corresponding letter (attached) and list of CWD contacts is being sent by OHDS to its local program administrators.

If you have any questions, you may contact the GAIN and Employment Services Operations Bureau at (916) 324-6962.

DENNIS J. BOYLE
Deputy Director

DEPARTMENT OF HEALTH & HUMAN SERVICES

Office of
Human Development Services

Refer to:

Region IX
50 United Nations Plaza
San Francisco, CA 94102

JUL 27 1990

Dear Grantee:

I am pleased to announce that a Memorandum of Understanding (MOU) has been signed between the United States Department of Health and Human Services, Office of Human Development Services (OHDS), Region IX and the California State Department of Social Services (SDSS). The purpose of this agreement is to facilitate cooperation and collaboration between OHDS' Head Start Program (which is administered by the Administration for Children, Youth and Families) and SDSS' Greater Avenues for Independence (GAIN), Transitional Child Care (TCC), and Aid to Families with Dependent Children (AFDC) programs.

A major feature of Head Start is the provision of services to the entire family. As SDSS and Head Start programs serve many of the same families, this collaborative agreement is seen as a way to facilitate better services to these families.

The specific objectives of the MOU are to:

1. Enable parents of Head Start children to increase their self-sufficiency through training/employment opportunities offered by the GAIN Program;

2. enable GAIN, TCC, and other AFDC clients to benefit from Head Start services including child and parent development;

3. make a commitment to recognizing transitional needs of families served by these programs as they move into full employment and family self-sufficiency in order to ensure successful long-term transitions.

A meeting was held June 14, 1990 to introduce this agreement to County Welfare Directors and Gain Coordinators to emphasize the need for communication, coordination, and collaboration between Head Start and GAIN/TCC/AFDC Program Administrators at all levels of administration throughout the state.

I would encourage you to meet with your local county agency administrators to facilitate cooperation and collaboration in order to achieve the objectives of the agreement. By jointly identifying those areas where coordinated, cooperative efforts can result in more effective services to families, we can create a situation whereby everyone involved benefits.

Enclosed, in addition to a copy of the MOU, is a list of County Welfare Directors and GAIN Coordinators for your information. A similar letter and list of Head Start Grantees is being sent by SDSS to its County program administrators.

Sincerely,

Roy Fleischer
Regional Program Director
Administration for Children,
Youth and Families
