

Del Norte County Community CalWORKs Plan

(p) COMPLIANCE WITH REQUIREMENTS OF CalWORKs

Del Norte County will meet the Federal and State mandated requirements for enrollment of single parents in the Welfare-to-Work component of CalWORKs.

Single parents will be required to participate a minimum of 26 hours weekly upon enrollment, increasing to 32 hours per week beginning July 1, 1999.

The county may exercise the option to require single adults to participate 32 hours per week sooner than July 1, 1999 if sufficient participation activities are developed, and supportive services are available.

Adults in two-parent households will be required to participate 35 hours per week. The hours of participation by both adults will count toward the 35 hours, so long as one parent meets the hours required for a single parent.

(g) INTERACTION WITH AMERICAN INDIAN TRIBES

We have worked closely with the Yurok Tribe and the Smith River Rancheria since the inception of the CalWorks planning process. Members of these Tribes will be required to participate the county administered CalWORKs Program.

Other Native American agencies that assisted with the planning process include: Northern California Indian Development Council, United Indian Health Services, California Rural Indian Health Board and California Indian Manpower Consortium. The input from these agencies was invaluable. It is anticipated these agencies will continue to assist during the transition from AFDC to CalWorks.

The Tribal members of the Resighini and Elk Valley Rancherias will be included as eligible clients of the California Indian Manpower Consortium, Native American Employment Works (NEW) Program that is replacing the Federal JOBS Program. Coordination and referral will continue as with the former GAIN program.

The Yurok Tribe and Smith River Rancheria are taking the lead in planning Community Service Activities for Del Norte County CalWORKs recipients.

Employment/ Education/Training...(EET)	Allowable Work Activities	Determine which of the allowable activities will be included	County specific work activity list, form to document the county and participant determination that required activity will lead to quick entry into workforce.	Which activities are mandated and/or optional?		" provide all" if feasible.. "contract some out, or outstation @ Career Center"	TRNG
EET	Appraisal (initial)			Will the county require applicants to complete orientation and appraisal during job search period? (11/14 - yes)	availability of supportive services prior to eligibility determination, coordination of case management activities	chg mgt:" Keep up-front @ DHSS" ; note: with ISAWS apps are being processed within one week..(MY)	EMPL
EET	Assessment (formal)	develop written assessment tools, determine acceptable documentation of physical or mental barriers	Written assessment tools, policy/procedure for use		coordinate with DMH and DAA, Medical community	look at new software	TRNG
EET	Assessments - Who Conducts			Will the county conduct the assessments or contract for the service? (BB 11/14) Consider: If you do your own assessment you have a more complete picture of your client...It may be ok to contract out a portion if the personal assessment is kept in-house.	Fiscal issues re: administration, control of performance outcomes	11/14 chg mgt: suggest we not contract out, but do invest in upgraded testing tools.. software and pc	TRNG
Change Mgt	Asset Limits	Staff training - (RS/PO will train 11/25-26 and again on 12/2-3)			ISAWS updated? (RS 11/14 ... in ISAWS by 12/1)	Self-implementing
