Notice to Non-Minor Dependent

Based on the agency's evaluation, the agency believes the attached information is true and accurate as far as it is aware.

California law requires that a non-minor dependent hold the privilege to their psychosocial and medical background and that they can then decide what they wish to share or reveal to their prospective adoptive parent(s). This form and the attached documents are provided to meet that requirement. Your signature below verifies your receipt of this information.

I ACKNOWLEDGE THAT I HAVE IN MY POSSESSION ALL THE ABOVE LISTED DOCUMENTS.
