

## **NOTICE TO ALL FOOD STAMP HOUSEHOLD MEMBERS WHO MUST PAY CHILD SUPPORT IMPORTANT – PLEASE READ**

As of October 1, 1995, if you pay child support based on a legal order and you are a food stamp household member, you may be eligible for more food stamps. You must report the amount of child support you pay each month and you must give us proof of the legal order that requires you to pay this child support. Once you have told us how much you pay and given us the proof of the order, your food stamps will be figured allowing this amount as a deduction. Your food stamp allotment may increase. Once you have given us the proof of the amount you pay, you will only have to give us proof again if the amount of the child support you pay increases or the legal order changes.

You must now report any change in the legal order which requires you to pay child support on your monthly

income report for monthly reporting households and on your change report for non-monthly reporting households. You must also report at certification or recertification of your food stamps. Whenever you report a change you must give us proof of that change in the legal order.

The amount of Food Stamp benefits you will get depends on your household status. You will get a separate notice of any changes in your allotment amount. The child support deduction will be included in this notice. If you think we made a mistake in figuring your allotment because of the child support you pay, the notice will include information on the back on how to ask for a hearing.
