[COUNTY FISCAL LETTER NO. 14/15-74, DATED JUNE 10, 2015](#)

This letter informs counties of the Fiscal Year (FY) 2015-16 augment for the administration of the Work Incentive Nutritional Supplement (WINS) program.

In consultation with the County Welfare Directors Association, an augment of \$1.1 million General Fund (GF) was distributed based on a percent to total of each county's most recent average monthly CalFresh caseload from December 2014 through November 2015, as provided in the DFA 296 – CalFresh Program Monthly Caseload Movement Statistical Report.

The purpose of the WINS program is to promote self-sufficiency through work by providing additional support to eligible working families in the form of a supplemental CalFresh or California Food Assistance Program (CFAP) food benefit. Working families who are receiving CalFresh or CFAP, but not receiving California Work Opportunity and Responsibility to Kids assistance, may be eligible for the WINS benefit if they are meeting the Temporary Assistance for Needy Families (TANF) work participation requirements through working sufficient hours in paid employment.

Administrative costs for the WINS program should be claimed to the County Expense Claim using Program Codes (PC) 456 – WINS Administration and PC 887 - WINS CFAP Administration. PC 927 has been established to isolate WINS data reporting

costs to only TANF Maintenance of Effort CalFresh cases because CFAP cases do not have reporting requirements. For further instructions on PC 927, please see [CFL No. 14/15-74](#). Expenditures exceeding the GF allocation will be transferred to county share using State Use Only (SUO) Code 455 – SUO WINS Overmatch.

Please refer to [ACL 13-71](#), [ACIN I-14-14](#) and [ACIN 1-14-14E](#) for questions related to the implementation of WINS. Any questions regarding this distribution of the WINS administrative allocation should be directed to [fiscal.systems@dss.ca.gov](mailto:fiscal.systems@dss.ca.gov).
