ALL-COUNTY INFORMATION NOTICE NO.: I-76-11

TO: ALL COUNTY WELFARE DIRECTORS
ALL CAPI PROGRAM MANAGERS

REASON FOR THIS TRANSMITTAL

- State Law Change
- Federal Law or Regulation Change
- Court Order
- Clarification Requested by One or More Counties
- Initiated by CDSS

SUBJECT: JANUARY 2012 COST OF LIVING ADJUSTMENTS WHICH AFFECT THE CASH ASSISTANCE PROGRAM FOR IMMIGRANTS

REFERENCE: All-County Letter (ACL) No. 99-13

This All-County Information Notice (ACIN) provides the new Cash Assistance Program for Immigrants (CAPI) Payment Standards, effective January 1, 2012, and clarification for computing benefits for a CAPI recipient whose spouse receives Supplemental Security Income/State Supplementary Payment (SSI/SSP). The attached CAPI Payment Standards charts detail the payment standards that will be effective on January 1, 2012.

As required by Section 18941 of the Welfare and Institutions Code (WIC), the CAPI payment standards are based on the SSI/SSP payment standards, minus \$10.00 for an individual and \$20.00 for a couple. Although there will be no increase in the State-funded SSP amount in January, 2012, there will be an increase in the federally-funded SSI payment due to a cost of living adjustment (COLA). WIC Section 12201.05 requires that the combined SSI/SSP payment standards be increased by the amount of the federal SSI COLA. The increased CAPI Payment Standards, which will become effective on January 1, 2012, are the result of the federal COLA for SSI and are reflected in the attached charts.

The federal SSI COLA also affects the following values for the entire calendar year that can impact CAPI eligibility and benefit amounts effective on January 1, 2012:

PRESUMED MAXIMUM VALUE (PMV) OF IN-KIND SUPPORT AND MAINTENANCE

- To compute this value, take 1/3 of the federal SSI amount and add \$20.00. This changes the PMV from \$244.66 to \$252.66 for an individual and from \$357.00 to \$369.33 for a couple.

ALLOWANCE FOR INELIGIBLE CHILDREN IN DEEMING SITUATIONS

- To compute this allowance, determine the difference between the federal SSI benefit amount for a couple and the federal SSI benefit amount for an individual. This computation changes the allowance from \$337.00 to \$350.00.
- This allowance is entered, when appropriate, on the Income Eligibility Worksheet (SOC 452), line B.2.a, when determining a CAPI benefit amount for a case involving deemed income from an ineligible spouse.

SPONSOR'S ALLOCATION IN ALIEN DEEMING SITUATIONS

- This allocation equals the federal SSI rate for an individual. The federal SSI COLA changes the allocation from \$674.00 to \$698.00.
- This allowance is entered, when appropriate, on the Sponsor to Alien Deeming Worksheet (SOC 454), line 2, when determining a CAPI benefit amount for a case involving deemed income from a sponsor.

ALLOWANCE FOR PARENT(S) IN PARENT-TO – CHILD DEEMING SITUATIONS

- The allowance for one parent is equal to the federal SSI Individual rate. The allowance for two parents is equal to the federal SSI Couple rate. The federal SSI COLA changes the allowance from \$674.00 to \$698.00 for one parent and from \$1011.00 to \$1048.00 for two parents.
- This allowance is entered on the Income Eligibility-Child worksheet (SOC 452A) when determining eligibility for a minor child and income must be deemed from his or her parent(s).

COLA COORDINATION WHEN ONE SPOUSE RECEIVES SSI/SSP

As stated above, WIC Section 18941 requires CAPI benefits to be equivalent to SSI/SSP benefits except that the CAPI payment standards must be \$10.00 less for an individual and \$20.00 less for a couple. A unique situation arises when one member of a couple receives SSI/SSP and the other receives CAPI. All-County Letter (ACL) No. 99-13 addressed this situation by requiring counties to count the SSI/SSP benefits received by one member as income while using a special payment standard that is \$10.00 less than the SSI/SSP payment standard for a couple. The intended result of this policy is that the CAPI/SSI/SSP couple receives combined benefits that total \$10.00 less than the SSI/SSP benefit rate for a couple as required by WIC Section 18941.

However, the intended result will NOT occur for a CAPI/SSI/SSP couple if normal retrospective budgeting of the spouse's SSI/SSP benefit is used to determine CAPI

payment in the effective month of a COLA and the subsequent month. Using a January COLA for example, under normal retrospective counting rules the CAPI recipient's January and February payments would be computed using the spouse's SSI/SSP benefit from November and December respectively – before the SSI/SSP COLA in January – resulting in the CAPI/SSI/SSP couple receiving higher combined benefits in January and February than either the SSI/SSP or CAPI couple.

In order to comply with WIC Section 18941, counties are hereby instructed, for CAPI/SSI/SSP couples, to prospectively budget the spouse's SSI/SSP benefit in the month that a COLA occurs and the subsequent month. Using a January COLA for example, the CAPI recipient's January payment should be computed using the spouse's SSI/SSP January payment, and the CAPI recipient's February payment should be computed using the spouse's SSI/SSP February payment.

If you have any questions regarding this letter, please contact Cynthia Yates, Program Analyst, or Marshall Browne, Manager, Operations and Technical Assistance Unit at (916) 651-5350.

Sincerely,
