SUBJECT: IMPLEMENTATION OF NEW CHILD CARE UNIT

The purpose of this notice is to provide county welfare departments with information about the County Operations Unit in the Child Care Programs Bureau. One of the primary functions of this unit is to provide technical assistance to counties for policy interpretations of California Work Opportunity and Responsibility to Kids Stage One Child Care regulations.

Previously, counties were instructed to submit requests for policy interpretations to the Child Care Programs Bureau's electronic mail account. That process has now changed; the County Operations Unit has assigned consultants for each county. Staff can be contacted directly for Stage One Child Care policy interpretations, as indicated on the attachment.

The Child Care electronic mail account, childcarequestions@dss.ca.gov, will remain available to receive inquiries from the general public and from other programs requesting information on Stage One Child Care.

If you have questions regarding this matter, please contact your assigned county consultant or the Child Care Programs Bureau at (916) 657-2144.

Sincerely,

Original Document Signed By:

VENUS GARTH, Chief
