ORDERING INSTRUCTIONS

All forms orders must be submitted on a County Forms Order (GEN 727B). Detailed instructions are shown on the reverse side of the form. Whenever possible, consolidate orders until all lines of the Forms Order are filled and limit your order to a three-month supply of each item.

The California Department of Social Services (CDSS) has both free and sold forms. Forms which must be purchased by the counties are indicated as such, and the cost is shown in the far right column. Free/sold forms and numbered publications may be placed on the same order.

The prices shown in the catalog have been computed to allow CDSS to recover printing and administrative costs.

Send your orders to:

California Department of Social Services

P.O. Box 980788
West Sacramento, CA 95798-0788

Effective July 1, 2008, an additional feature has been added to assist the counties when forms need to be ordered. For county forms order, go to the following link: <http://www.dss.cahwnet.gov/cdssweb/entres/forms/English/GEN727b.pdf>. After the order form has been completed, the individual who is placing the order can click on the "submit" button on the top of the form. The order form will be sent to the CDSS Warehouse's e-mail box as soon as the individual clicks on the "send" button. Once the order has been received by the CDSS Warehouse staff, an order number will be assigned and a confirmation reply will be sent back to the sender.

Forms orders specifying revision dates prior to the most recent printing will be shipped by the CDSS Warehouse provided the older revision is still available. **These valid forms, bearing older revision dates, will not be accepted back by the Warehouse in exchange for the latest revision.**

Orders may be reduced at the discretion of the Warehouse, depending upon the level of stock available.

For information on ordering forms not listed in this catalog, please contact the CDSS Forms Management Unit, at (916) 657-1907, ATSS 437-1907, or by electronic mail at: fmudss@dss.ca.gov

CAMERA-READY COPY

Camera-ready copies may be requested by counties currently printing their own supplies.

Check on the Internet to see if forms are available at www.dss.cahwnet.gov

Requests can be made by contacting the Forms Management Unit, at (916) 657-1907, ATSS 437-1907, or by electronic mail at: fmudss@dss.ca.gov

BACK-ORDER PROCEDURE

Backordered forms will be noted on the copy of the GEN 727B returned to you. A duplicate copy of the order will be retained by the CDSS Warehouse and the order will be shipped when stock becomes available. **Do not reorder backordered forms. You may receive and be billed for duplicate shipments.** If the backordered form is one that is sold, counties will be billed in the quarter the order is filled.

Occasionally, orders may be reduced. The balance will not be backordered. If this occurs, it will be indicated on the paperwork returned to you. To obtain the balance, please reorder on another GEN 727B.

SHORTAGES AND DAMAGED DELIVERIES

If an order is short or damaged, please contact the CDSS Warehouse within five (5) working days after receipt of the order and request an adjustment to your invoice for the billing quarter. In the event of damage in transit, CDSS will file a claim against the carrier. The following documents should be forwarded in order to substantiate the claim:

1. A copy of the carrier's freight bill or delivery document bearing notation of shortage and/or damage.
2. A copy of the carrier's inspection report when issued.
3. A signed and dated statement of all pertinent facts concerning the shortage or damage not in the documents identified above,

If stock is defective or ordered in error, contact Shirley Trice at the CDSS Warehouse at (916) 371-1974.

OBSOLETE FORMS

Whenever possible, CDSS keeps obsolete forms to a minimum. If changes in State or Federal legislation/regulation make it necessary to obsolete a form, CDSS will credit CWDs/Agencies for the return of their obsoleted stock.

An official obsolescence notice, sent via the GEN 127 process, will be issued. **Do not return any forms for credit until such notices have been issued.** Follow the instructions below on the return of stock.

RETURN OF STOCK

Credit will be given if the reason for the return of stock is acceptable, such as obsolescence or stock shipped in error by CDSS. Additionally, the stock must be returned in its original condition within 30 days of receipt or the date on the obsolescence notice. The stock must have been ordered within 180 days of the return date, and accompanied by a copy of the original GEN 727B order form. The amount credited will be based on the unit price of the form at the time of purchase and applied to the current quarterly bill. The shipping costs for return of stock must be paid by the county.

LANGUAGE TRANSLATION SERVICES

The purpose of Language Translation Services (LTS) is to provide translated materials and interpreters as mandated by law. Sections 7290-7299.8 (Dymally-Alatorre Bilingual Services Act) of the Government Code were enacted to ensure that non-English speaking persons would not be precluded from utilizing public services because of language barriers. The Act requires that, when 5 percent or more of the people served by a State agency are members of a group who either does not speak English or are unable to effectively communicate in English, the State agency shall make available its information and services in the language of the non-English speaking group.

LTS performs in-house translations of English language documents into Chinese, Russian, Spanish, and Vietnamese languages. LTS also performs in-house translations of, Chinese, Russian, Spanish and Vietnamese documents into the English language.

Many translated forms and messages are available on the Internet. These translations are in Portable Document Format (PDF), which can be viewed using Adobe Acrobat Reader. To access these documents on the Internet, visit the CDSS Web page at: http://www.dss.cahwnet.gov/cdssweb/FormsandPu_274.htm. The documents you will find here are only a small portion of all the publications translated and distributed by LTS. If you are unable to find the specific form or publication you are looking for, please check back often as new documents are added regularly. For additional information, call (916) 651-8876 or e-mail LTS, LTS@dss.ca.gov.

CATEGORIES OF DEPARTMENT DEVELOPED FORMS

The following definitions pertain to the classification of forms listed in this catalog:

Required Form - No Substitute Permitted -Section 23-400.111, Management and Office Procedures - Forms Management

Forms in this category are required and cannot be modified or reconstructed. However, overprinting is permitted.

A form is assigned to this category if: a) the form is legally mandated or federally required; b) uniformity is necessary in the gathering or reporting of data; or, c) the form will be used to communicate information between CWDs/Agencies and some state or federal agency.

Required Form - Substitute with Prior CDSS Approval -Section 23-400.112, Management and Office Procedures - Forms Management

Forms in this category are required forms for which modifications or substitutions are permitted with the prior approval of the California Department of Social Services (CDSS). The CWDs/Agencies may modify these forms to add or obtain information that does not: a) conflict with program policy/regulations; or, b) change the legal content of the form. Ordinarily, rewording the content of a form in this category will not be approved. However, such suggestions for language improvement will be considered by CDSS on future revisions.

A form is assigned to this category if: a) legal or regulatory considerations require only certain content in the form; or, b) uniformity is desirable, but variations in CWD/Agency systems or demographic characteristics require flexibility so the form will be more useful without the need for supplementary forms.

Recommended Forms - Section 23-400.113, Management and Office Procedures - Forms Management

Forms in this category are recommended forms that CWDs/Agencies may modify without prior CDSS approval or may opt not to use. A form is assigned to this category if: a) it is used within the internal operation (not for client use) of the CWD/Agency with no specific use or reference required by CDSS; b) it is a referral of verification form used within the CWD/Agency not requiring uniformity or specific interagency coordination, and not legally mandated; or, c) it is a model or experimental form being tested in CWDs/Agencies prior to release for general use.

PROGRAM CONTACT

A program contact is indicated next to each form listed. You should contact that office about questions concerning the use of the form, suggestions for changes and improvements, and approvals of substitute county forms. Send inquiries to the attention of the program contact at:

NOTICE OF FORM CHANGE - GEN 127

The CWD/Agencies will be notified of new, revised, and obsoleted forms through Form GEN 127, "Notice of Form Change", process. The notice will contain information regarding the following:

- Order unit and price;
- Information on whether previous versions can continue to be used or shall be removed from future use;
- Effective dates to use new forms;
- References to manual sections and All-County correspondence containing instructions and policy regarding the new form, if applicable.
- Obsolete forms, or advance notice of forms to be obsoleted in the future.

CWDs/Agencies should use the Notice of Form Change to update their County Forms Catalog.

The notices are numbered in sequence within calendar years (e.g., 008-001). Counties can obtain missing notices by checking the internet at: <http://www.dss.cahwnet.gov/lettersnotices/PG1005.htm>.

**REPRODUCTION AND DISTRIBUTION OF
ADMINISTRATIVE EXPENSE CLAIM FORMS**

Effective July 1, 1997, the State of California Automated Template (SOCAT) is the automated version of the administrative expense claim (AEC) which is maintained by the County systems Unit within the Fiscal Systems and Accounting Branch. The County systems Unit updates SOCAT to coincide with the quarterly time study and claiming instructions issued by the Fiscal Policy Bureau. A copy of the SOCAT is transferred onto a diskette and mailed to each county on a quarterly basis. The SOCAT allows counties to prepare and submit their claim on a diskette and to print hard copies of the claim.

In the past, manual claim pages were produced by CDSS for those counties which had not yet been automated. Since all counties now are fully automated, they are able to produce their own hard copies of the claim and no longer need the manual pages. Essentially, we have moved to a paperless system.

**REPRODUCTION AND DISTRIBUTION OF
COUNTY EXPENSE CLAIM (CEC) FORMS**

Effective July 1, 1997, the CEC is a FoxPro database template which is maintained by the County Systems Unit within the Fiscal Systems Bureau, Fiscal Systems and Accounting Branch. The County Systems Unit updates the template to coincide with the quarterly time study and claiming instructions issued by the Fiscal Systems Bureau. The CEC template is an executable document handled strictly through an e-mail process by both the CDSS and counties.

Blank hard copies of the CEC are not available. Counties must complete input tables for the CEC to calculate and once calculated the CEC can be printed. The CEC is a county specific document.

If you have any questions, please call (916) 324-4576.
