ALL-COUNTY INFORMATION NOTICE I-13-79

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: SSRR PHASE III (FORM 7 - TITLE XX GOALS AND SOCIAL SERVICES)

## REFERENCE:

County welfare departments will not all be required at this time to report Form 7 data for Phase III of SSRR.

There was good response to our survey attached to All-County Information Notice I-103-78 and the majority of the counties indicated their desire for the Department of Social Services (DSS) to use 100% reporting of service goals in computerized counties as a sample of statewide service goals to satisfy the Phase III requirements.

The proposed methodology will be to use the ten Case Data Counties' data and project that data to match Form 2A recipient population data from all county welfare departments. This will be combined with 100% reporting of data from "State Agency" service providers to produce the Form 7 report for the Department of Health, Education and Welfare (DHEW). This procedure was developed with the cooperation of the Research and Statistics Committee of the County Welfare Director's Association (CWDA). DHEW has given informal approval for this sampling technique and the more formalized request for approval is being submitted.

If you have any questions about Phase III implementation, please call Patti Springsteen at (916) 322-5462.

Sincerely,
