ALL-COUNTY INFORMATION NOTICE I-41-80

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: STATISTICAL REPORTING OF CUBAN REFUGEE PROGRAM RECIPIENTS CONVERTED TO COUNTY GENERAL RELIEF/GENERAL ASSISTANCE

REFERENCE: ALL COUNTY INFORMATION NOTICE I-119-79, ALL COUNTY LETTER 80-23

This notice revises ACIN I-119-79 to advise counties of changes in reporting procedures for Cuban Refugee Program data, as submitted monthly on the Caseload and Expenditures Report - General Relief and Aid to Potentially Self-Supporting Blind (Form GR 237). The reporting procedure changes outlined in this notice are shown in italics.

All-County Information Notice I-119-79 remains in effect for all Cuban Refugee statistical data reported on Form GR 237 for those claims pertaining to the month of September 1979 and prior.

For those claims pertaining to October 1979 and following data entered in Line Item 8, Column (B), of Form GR 237 should equal data entered in Line 12, Column A of Form DFA 823 (Refugees Converted to General Assistance - Expenditure Statement and Claim for Reimbursement). No data will be entered in Line Item 8, Column (C), of Form GR 237. Data entered in Line Item 11, of Form GR 237 should equal data entered in Line 13, Column C of Form DFA 823.

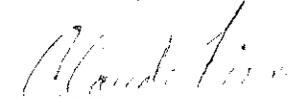

Those counties that have not yet submitted any DFA 823 claim forms for applicable recipients should continue to report with a "0" entry in Line Items 8 and 11 of Form GR 237. Those converted Cuban Refugee Program recipients not presently claimed on Form DFA 823 are not to be reported in any other line item of Form GR 237. At the time a claim is submitted for a report month and all preceding months not claimed, this data should be reported on Form GR 237, as applicable.

For Federal Fiscal Year 1979-80 (October 1, 1979) federal reimbursement is being claimed at 100%. If a county submits a claim for reimbursement and a portion covers the prior federal fiscal year, the cases, persons and expenditures (prior and current fiscal year) should be separately identified on Form GR 237, note the prior fiscal year data first and then the current fiscal year data next separated by a slash mark (Prior F.Y./Current F.Y.).

This separation from current federal fiscal year data is necessary due to the change in the claiming of federal reimbursement. In these cases, ensure that all data is correctly reported on Form GR 237.

Questions concerning submission of DFA 823 claim forms should be directed to Willa Wallen, County Fiscal Administration, at (916) 323-0265. Questions concerning statistical reporting on Form GR 237 should be directed to Larry Horner or Marge Gerken, Statistical Services Bureau at (916) 323-2330.

Sincerely,

CLAUDE E. FINN
