ALL-COUNTY INFORMATION NOTICE I-79-80

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: COUNTY MONITORING SHEET, DFA 443

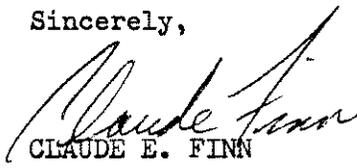

REFERENCE:

Attached is the revised County Monitoring Sheet, DFA 443. Although use of this form is not mandatory, many counties find that tracking their monthly activity is very beneficial in helping them keep abreast of their allocation status. Please follow the revised instructions on the reverse side of the DFA 443 to correctly track monthly activity levels.

Please be reminded that total activity in NAFS is no longer based on participating households, but rather, certified eligibles and applications disposed. The DFA 296 will continue to be the source document used for tracking both certified eligibles and applications disposed.

If you should have any questions concerning the use of this monitoring sheet, or if any additional copies are needed, please contact your County Administrative Expense Control Analyst at (916) 322-5802.

Sincerely,

CLAUDE E. FINN
Deputy Director
