ALL-COUNTY INFORMATION NOTICE I-23-81

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: COUNTY FORMS

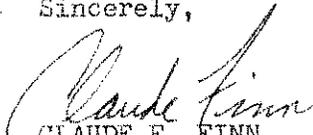

REFERENCE:

As previously agreed upon during the Cost Control Workshops, attached is a listing of the forms that counties may be charged for starting July 1, 1981. Please note that the unit costs include a ten percent FY 1981/82 inflation factor. This was included to assist counties in preparing the budgets for their board of supervisor review. However, you should remember that the Cost Control Questionnaire instructions ask counties to exclude FY 1981/82 cost-of-living increases in their projections. County Administrative Expense Control (CAEC) will adjust FY 1981/82 allocations based on decisions made in the legislature.

Given the anticipated fiscal constraints for FY 1981/82, counties should ensure that the Cost Control Questionnaires be as realistic and complete as possible. Prompt submission of your questionnaire is necessary to provide the Department adequate time to evaluate county needs.

If you have any questions regarding the forms, please contact Dennis Ragasa at (916) 322-4984. Other questions should be directed to your CAEC analyst at (916) 322-5802.

Sincerely,

CLAUDE E. FINN
Deputy Director
