ALL-COUNTY INFORMATION NOTICE NO. I-41-89

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY GAIN COORDINATORS

SUBJECT: ANNUAL GAIN REPORT

REFERENCE: Welfare and Institutions Code 11320.2

The purpose of this notice is to transmit a copy of the third Annual Report on the Greater Avenues for Independence (GAIN) Program to the California State Legislature by the State Department of Social Services (SDSS). The report was prepared by the Manpower Demonstration Research Corporation (MDRC) as part of its evaluation effort under contract with the SDSS.

The report analyzes the early experiences in operating GAIN in eight Counties: Butte, Fresno, Kern, Napa, San Mateo, Santa Clara, Stanislaus, and Ventura. These Counties began serving registrants between June 1986 and January 1987, and the report studies the first 16 to 24 months of operation. The report focuses on program implementation problems, identifies early operational lessons, and suggests that the State and Counties have successfully addressed some of the implementation challenges of GAIN.

If you have any questions concerning the report, please contact your GAIN and Employment Services Operations Bureau analyst at (916) 324-6962.
