ALL-COUNTY INFORMATION NOTICE NO. I-11-91

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: GREATER AVENUES FOR INDEPENDENCE (GAIN) CONFERENCE

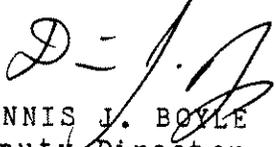

I am pleased to transmit the enclosed registration form announcing the first statewide GAIN Conference, to be held April 15 through 17, 1991 at the Fresno Conference Center, Fresno, California. As you may know, planning for this conference has been ongoing since December 1989 with an eight-member committee from the County Welfare Directors Association (CWDA). The conference has been endorsed by the CWDA Board of Directors and will be an important means of sharing information on the delivery of employment and training services.

Additional copies of the enclosed registration form have been sent to your County GAIN Coordinator, along with descriptions of each workshop. We are extremely excited about the variety of workshops that will be offered. Some of the highlights include:

- o A total of 53 workshops covering a wide range of topics in the employment and training arena, designed to facilitate discussions and promote networking;
- o Motivational speakers from Milt Wright and Associates, Inc.;
- o Keynote speaker: Jo Anne B. Barnhart, Assistant Secretary for Family Support, Federal Department of Health and Human Services.

This conference will be of great interest to all of your GAIN Program staff, as well as the GAIN service providers in your County. We strongly encourage your County's participation and support.

I look forward to seeing you and your staff at the conference.
