SUBJECT: REMOVAL FROM CDSS LETTERS AND NOTICES MAILING LISTS

The California Department of Social Services (CDSS) announced in ACIN I-30-98, dated 5/14/98, the impending availability of All County Letters (ACLs), All County Information Notices (ACINs), and County Fiscal Letters (CFLs) on the Internet. This ACIN informed recipients of these letters and notices that effective June 1, 1998, all letters and notices would be available in electronic format only. Traditional paper copies of the documents would continue to be available only through special arrangements for those recipients without Internet access.

Enclosed with the ACIN was a mailing list information survey card (GEN 1310) which CDSS asked to be completed and returned within 30 days. This survey card asked recipients to indicate which letters and notices mailing lists they were on and whether or not they had the capability to receive the letters and notices via the Internet. Those with E-Mail capability will receive E-Mail notification when new letters and notices are issued and will no longer be sent hard copies. Special arrangements must be made for those without E-Mail capability to continue to receive hard copies of new letters and notices.

As of this date, the majority of the GEN 1310 survey cards have not been returned to us. If CDSS has not received your completed survey card by September 14, 1998, you will be removed from our letters and notices mailing lists effective that date. Attached to this ACIN is another GEN 1310 survey card. If you wish to remain on any of the mailing lists for CDSS letters and notices (ACL's, ACIN's or CFL's), it is imperative that you complete and return the attached survey card today, so we will receive it by September 14, 1998.

Please reference ACIN I-30-98 for additional information. If you have any questions, please contact Vanessa Byrd, Manager, Program Support Section, at (916) 657-2098, or e-mail us at fm@dss.ca.gov.
