SUBJECT: FISCAL YEAR 2001/02 STAGE I CHILD CARE FUNDING
SURVEY

REFERENCE: FISCAL YEAR (FY) 2001/02 ALLOCATION FOR THE
CALIFORNIA WORK OPPORTUNITY AND
RESPONSIBILITY TO KIDS (CALWORKS) SINGLE
ALLOCATION CFL 01/02-24

This letter is to survey counties on the current status of their CalWORKs Stage I child care funding. If you have concerns that your county's funding for Stage I Child Care services is inadequate for Fiscal Year (FY) 2001/02, please complete and submit the following information via e-mail or fax by February 8, 2002. Upon review of your submitted survey, we will work with the California Department of Education to determine the appropriate funding for Stages One and Two.

- The attached Stage 1 child care funding survey;
- Your FY 2001/02 second quarter expenditures for Child Care and the Single Allocation. The expenditures for Child Care and the Single Allocation should be consistent with the amount counties have reported on the DFA 327.4 and DFA 327.5 for the December 2001 quarter.

The survey, along with CW 115 & 115A data and the second quarter expenditures, will provide the information necessary to complete our analysis.

Please note that when we determine a county's child care funding need, we will also analyze the funding level and projected expenditures for the county's single allocation. Please be prepared to respond to additional requests for information, if necessary.

Please return the attached Stage 1 Child Care Funding Survey and the second quarter expenditures by January 30, 2002 to Shelley Husen in the Child Care Programs Bureau:
