

DEPARTMENT OF BENEFIT PAYMENTS

July 12, 1974

ALL-COUNTY LETTER NO. 74-129

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: FOOD STAMP PROGRAM - OFFICE OF AUDIT REPORTS

REFERENCE:

A reassignment within the Department of Benefit Payments has transferred responsibility for the liaison concerning all audits of county food stamp operations conducted by the USDA Office of Audits from the Food Stamp Management Bureau to the Claims Audit and Control Bureau. Therefore, all correspondence relating to such audits is to be directed to that bureau rather than the Food Stamp Management Bureau. A. Robert Cartago is Chief of the Claims Audit and Control Bureau, and Del LeClaire is the contact person. The Food Stamp Management Bureau will continue to work in coordination with his staff and yours to ensure correct and timely action on all audit-related matters.

Your cooperation in this regard will be appreciated. If you have any questions, please contact Richard Havnen at (916) 445-6907, or Del LeClaire at (916) 445-0480.

Sincerely,

DENNIS O. FLATT
