ALL-COUNTY LETTER NO. 74-18

TO: ALL DISTRICT ATTORNEYS  
COUNTY WELFARE DIRECTORS

## CHILD SUPPORT COLLECTION ACTIVITIES

This copy of the Support Enforcement Incentive Fund monthly report is being sent to you directly, in addition to appearing in "Public Welfare in California", in order to emphasize the status of the program at the end of 1973.

Since the SEIF program was established in October 1971, a total of more than \$11 million have been paid to the counties. Of this amount, \$5.5 million was paid in the last year alone, indicating an increasing trend in support collection activities. The efforts by District Attorneys and county welfare departments that have made this degree of incentive payments possible have been very encouraging.

Los Angeles County leads the state with a grand total of \$1,798,573 in SEIF payments. Orange County is also well over the \$1 million dollar mark with \$1,186,462, and Sacramento County is close behind with \$966,239. In addition to these outstanding performers, there are four other counties whose SEIF payments have exceeded a half million dollars. A total of 19 counties have passed the one hundred thousand dollar mark.

This kind of track record emphasizes how effective the SEIF program can be when collection of support obligations is actively pursued. In those counties where the problem of child support is aggressively handled, the results speak for themselves.

Problems and questions concerning claiming of SEIF funds should be directed to Jack Flanders, Child Support Coordinator, Legal Affairs, Telephone: 916-445-0633.

Sincerely,

JAMES M. MOOSE, JR.  
Deputy Director - Legal Affairs
