

DEPARTMENT OF BENEFIT PAYMENTS

October 9, 1974

ALL-COUNTY LETTER NO. 74-203

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: ORGANIZATIONAL CHANGES

REFERENCE:

This is to inform you of recent changes in the organizational structure of the Department of Benefit Payments. These adjustments are aimed at further strengthening both the program and administrative aspects of the welfare-related programs of the Department.

Welfare Program Support Branch, under the leadership of Bob Hotchkiss, has been renamed Program Support Branch and moved to the Administration Division. Several changes at the Bureau level in the Program Support Branch have also occurred. These include:

The program related activities of the former County Training Bureau have been merged into the AFDC Program and Food Stamp Program Branches. Certain training related administrative functions have been reassigned to the Departmental Training Bureau, Staff Services Branch, Administration Division.

The Research Support Bureau has been merged into the Office of Planning in an effort to combine related functions.

County EDP Systems Bureau joins the Program Support Branch to further strengthen efforts devoted to the Model Modular County EDP System. This move also supports our goal of integrating the program related administrative activities into the branch.

The Program Information, Estimates and Information Coordination Bureaus remain with the Program Support Branch.

A new organizational chart is attached for your reference. These changes were effective September 10, 1974.

Sincerely,

David B. Swop
