ALL-COUNTY LETTER 74-22

TO: ALL COUNTY WELFARE DIRECTORS

REVISED SUMMARY REPORT OF ASSISTANCE EXPENDITURES FOR AFDC-FG AND U, CA 800

The Summary Report of Assistance Expenditures, CA 800, has been revised effective January, 1974, to break out current cash adjustments from other abatements, lines 8c and 8d. Current cash adjustments which are collections of overpayments in lieu of grant adjustments will be reported on line 8c. Voluntary contributions and any current income received by the county on behalf of an AFDC case are the only abatement items to be reported on line 8d. In addition, a box has been added on line 28, column a, in which will be inserted the total amount of overpayments adjusted in the grants paid during the month. This is being accumulated pursuant to our December 20, 1973 telegram.

Since there is the possibility that Quality Control error rates may cause a possible loss in federal financial participation, this new data from the CA 800 is being accumulated in order that federal sharing can be eliminated from the amounts collected, up to the amounts that have been excluded from federal participation.

If you have any questions regarding this matter, please contact Mrs. Alberta Hein at (916) 445-7046.

Sincerely,

A handwritten signature in cursive script, appearing to read "William J. Kurtz".
