COUNTY AUDITORS

SUBJECT: STATE SUPPLEMENTAL PROGRAM - HOME VALUED AT GREATER THAN \$25,000

## REFERENCE:

This letter is to provide you with instructions for implementing fiscal procedures related to individuals whose homes are valued at greater than \$25,000, Regulation 46-330.

Claims will be submitted on the Summary Report of Assistance Expenditures - Home Valued at Greater Than \$25,000, Form ABD 800, which will be sent to you by May 15, 1974. Form ABD 800 provides for separation of costs and persons counts for aged, blind and disabled recipients.

The requirements for aid payrolls and contra rolls for payments to these individuals are essentially the same as for payrolls previously submitted for OAS, AB, and ATD. Payments should be authorized and made in accordance with Chapter 25-300 of the Fiscal Handbook, and claims should be prepared in accordance with Chapter 25-700. Payrolls and contra rolls should be prepared on Form ABCD 801 or equivalent form and should be in state case number order. Case numbers will be assigned in accordance with Regulation 23-253.1. The case number followed by the recipient's name is to be placed in column 1, the month for which aid was paid in column 3, nonfederal persons count in column 6, total aid paid in column 8, warrant number in column 10, and the date of warrant in column 11.

Only the basic grant paid to these recipients is to be reported on Form ABD 800. Special Circumstance payments to these recipients should be reported on the Special Circumstance payrolls and claimed on Form SC 800.

Grants for these recipients will be charged against the closed-end allocation sent to you on March 7, 1974.
