OBSOLETE

SUBJECT:

As you are aware, Governor Brown has appointed Marion J. Woods as Director of the Department of Benefit Payments. Mr. Woods will assume his new duties on August 18, 1975. I will stay on in Benefit Payments as a Special Assistant to the Director for a time to facilitate a smooth transition.

I would like to express my appreciation to each of you for the support and cooperation which you have consistently provided me. Beyond that, I have enjoyed in a personal way working with each of you. I know that you will extend the same spirit of help and cooperation to Mr. Woods as you have always done for me.

Sincerely,

JEROLD A. PROD
Acting Director
