ALL-COUNTY LETTER NO. 79-12

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: AFDC-BHI RATE SETTING REGULATIONS

REFERENCE: MPP 11-301.3, 11-303.3, 11-308

Emergency AFDC-BHI Rate Setting Regulations (MPP 11-300) filed on December 20, 1978 established procedures for counties to request state participation in AFDC-BHI rate increases. Under the provisions of MPP 11-303.3, the Department of Social Services is extending the deadline for the submission of rate increase requests to March 15, 1979.

In addition to the extension of the request deadline, two changes will be made as a result of public hearing testimony when the regulations are filed in their final form. These changes are:

- 1) The definition of host county will be changed to provide that the host county is the county where the individual facility is located. Where a provider has facilities in more than one county, the county in which each facility is located will be the host county. Action taken on requests will affect only the individual facility.
- 2) The deadline in 11-308 for the reporting of information to the Department of Social Services will be extended to April 1, 1979.

If you have any questions, contact your AFDC management consultant at (916) 445-4458.

Sincerely,

MARION J. WOODS
