ALL COUNTY LETTER NO. 87-60

TO: All County Welfare Departments
All County Probation Departments
All Public and Private Adoption Agencies
All SDSS Adoptions Branch District Offices

SUBJECT: ICPC FORM 100A (4/85)

The Association of Administrators of the Interstate Compact on the Placement of Children (AAICPC) revised the Interstate Compact Placement Request, Form ICPC 100A in April, 1985. Some users have been printing or photocopying earlier versions. Increasingly other states are advising us that only the latest revision will be accepted.

As revised, the form calls for additional information about the placement and requires the signature of the sending person or of a representative of the sending agency. In addition, the quarterly AAICPC statistical reports can be completed only if the information on the newer version of the Form 100A is available. A tear-off instruction page has also been added to this multi-page NCR form, ICPC 100A INSTRUCTIONS (2/86). Use that designation when ordering copies of the Form ICPC 100A.

A supply of the newest version of the form may be ordered from the SDSS Warehouse, P.O. Box 22429, Sacramento, CA 95822. The county agencies order on form Gen 727B; state offices order on form Gen 727A and other users order on their letterhead.

If you have any questions about this, please contact your consultant in the Interstate Placement Bureau at 916-323-2923 or ATSS 473-2923.
