SUBJECT: 1997 REGIONAL MARKET RATE CEILINGS

The purpose of this letter is to transmit the 1997 Regional Market Rate (RMR) ceilings for California child care providers and the instructions to use with the RMR listing. The California Child Care Resource and Referral Network (Network) determined the ceiling rates based on the results of a statewide survey of 13,500 child care providers. These child care rate ceilings are used by the Greater Avenues for Independence (GAIN) program, including Cal-Learn; the Non-GAIN Education and Training (NET) program; the Transitional Child Care (TCC) program; the Supplemental Child Care (SCC) program; the California Alternative Assistance Program (CAAP); and by various programs under the jurisdiction of the California Department of Education (CDE). The 1997 RMR ceilings became effective July 1, 1997, and will remain in effect until further notice. County-specific rate information was FAX'd to all county welfare directors on May 21 and 22, 1997. ATTACHMENT I contains the instructions for using the RMR and ATTACHMENT II is the RMR document.

Riverside, Ventura and Yolo counties can continue to use sub-regional rates. These rates can be found in the back portion of the RMR document.

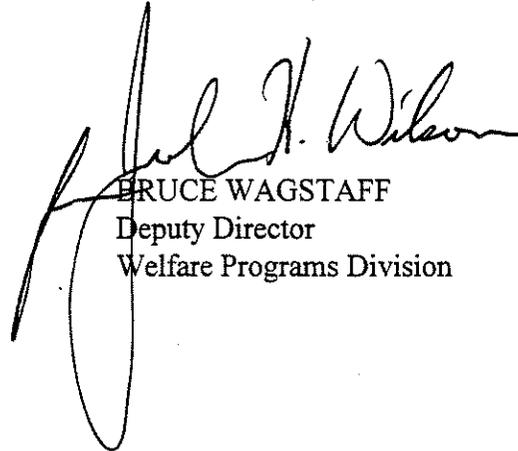

It is important to note that the RMR ceilings represent the *maximum* that each particular program will pay for child care. If a provider charges less than the rate ceilings, counties can only pay the rate that is charged. However, should the actual cost of child care exceed the rate ceiling, the parent is responsible for paying the difference in the cost if they want to use that particular child care provider.

The adjustment factor for Special Needs Care remains at 1.5 and the adjustment factor for Evening/Weekend care will now be 1.36. This change in the Evening/Weekend adjustment factor was FAX'd to all county welfare directors on June 23, 1997. The instructions for determining Special Needs or Evening/Weekend Care rate ceilings are located in ATTACHMENT I.

Page Two

All counties are required to use the 1997 RMR ceilings as of July 1, 1997. Notices of Action (NOAs) need to be completed and sent to impacted participants in a timely manner to notify them of the changes in their child care rate ceilings. Please refer to the appropriate program's noticing requirements for instructions on processing NOAs.

If you have questions or concerns regarding these 1997 RMR ceilings, please contact Julie Salley-Gray in the Child Care Unit at (916) 653-7367.

BRUCE WAGSTAFF  
Deputy Director  
Welfare Programs Division

**INSTRUCTIONS FOR USING THE  
REGIONAL MARKET RATE CEILINGS  
FOR CALIFORNIA CHILD CARE PROVIDERS**

**DEFINITIONS:**

- The **1.5 Standard Deviation Above the Mean** rate ceiling represents the maximum amount allowable for payments of child care costs in the Greater Avenues for Independence (GAIN) and Cal-Learn programs. The 1.5 standard deviation above the mean is approximately 93 percent of the range of costs for child care in a given region.
- The **75th Percentile** rate ceiling represents the maximum amount allowable for the payment of child care costs in the Non-GAIN Education and Training (NET), Supplemental Child Care (SCC), and Transitional Child Care (TCC) programs.
- **Part-time (PT) Care is--**
  - 1) Less than 35 hours per week for the GAIN, Cal-Learn, and NET programs.
  - 2) 147 hours or less per calendar month for the SCC, CAAP, and TCC programs.
- **Full-time (FT) Care is--**
  - 1) 35 hours per week or more for the GAIN, Cal-Learn, and NET programs.
  - 2) More than 147 hours per calendar month for the SCC, CAAP, and TCC programs.
- **Child Care Centers** are licensed facilities, other than family day care homes, where care is provided for children in a group setting.
- **Family Day Care** is care provided by a licensed provider in the provider's own home.
- **In-Home/Exempt Care** is any child care arrangement that is exempt from child care licensing requirements.<sup>1</sup>

---

<sup>1</sup> The only exception to this rule is exempt-from-licensure after-school care centers that are operated by school employees and governed and regulated by the California Department of Education. These centers are considered to be child care centers for the purpose of determining the rate ceilings.

- **Evening/Weekend Care** is child care provided after 6:00 p.m. and before 6:00 a.m. on week days and during any hours on the weekend. An adjustment factor of 1.36 is allowed for this type of care for SFY 1997-98.
- **Special Needs Care** is care provided to a child who is mentally or physically incapable of self-care, as verified by a physician or a licensed or certified psychologist, and requires that separate accommodations be provided with basic child care services. According to the Americans With Disabilities Act (ADA), child care facilities cannot charge special rates for children for whom reasonable accommodations would permit full integration of the child into their program. An adjustment factor of 1.5 is allowed for special needs care.
- **Family Fee** means the family's monthly share of costs for child care.
- **A period (.)** in a rate category means there were less than three providers for a particular type of care in both the county rate survey and the larger regional rate survey. If a child care provider requires payment in such a rate category, the county will pay the actual cost of the child care.<sup>2</sup>
- **Asterisks (\*)** were inserted into the part-time daily, weekly, and monthly rate categories for In-Home/Exempt Care to inform counties to multiply the actual number of hours of care by the hourly rate ceiling to issue the appropriate child care payment.
- The **Actual Cost of Care** is the amount charged by and/or paid to a child care provider for the following eligible hours and services--
  - 1) Care provided during the hours the participant was participating in allowable work activities, going to school, or attending training.
  - 2) Care provided during the hours necessary to cover the transportation time between the child care provider and the work, school, or training site.
  - 3) In the case of licensed providers, any service, application, or registration fee(s) charged by the child care provider, not exceeding the fee(s) charged to private clients for the same service as referred to in All-County Letter (ACL) No. 95-32, dated July 10, 1995.

---

<sup>2</sup> Counties should be aware that rate categories with less than three providers (.) are rate categories that are not typically used by child care providers in their county to charge for services. For example, full-time center-based care for a child under two years of age is not typically charged on an hourly basis; full-time care is usually charged by the day, week, or month. Counties should become familiar with the usual methods child care providers use for charging clients in their county. If a child care provider requests payment under a category that has no rate ceiling, counties should attempt to persuade the provider to charge in a manner that is more typical for the type of care provided and that would have a rate ceiling listed.

- 4) In the case of licensed providers, care provided during any additional hours that are based on the provider's written standard billing practice. Refer to the appropriate program's regulations for examples of eligible hours.

### **INSTRUCTIONS:**

The following information is needed to determine the appropriate rate ceiling:

- The program's rate ceiling level (75th percentile or 1.5 standard deviations above the mean);
- The county or sub-region within the county where the child care is provided;
- The type of provider (Child Care Center, Family Day Care Home, In-Home/Exempt Care);
- The number of hours of care per week (full-time or part-time as defined by the program);
- The age of the child;
- How the provider charges (hourly, daily, weekly, or monthly); and
- Any appropriate adjustment factor (1.5 for Special Needs Care or 1.36 for Evening/Weekend Care).

Step 1: Locate the appropriate page in the RMR ceiling document that corresponds with the program's appropriate rate ceiling level and locate the county or sub-region where the child care is provided.

Step 2: Locate the appropriate category for the type of care (Child Care Center, Family Day Care Home, or In-Home/Exempt Care).

Step 3: Locate the appropriate category for the age of the child and whether or not the care was provided full-time or part-time as defined in the program.

Step 4: Locate the appropriate ceiling based on the provider's charging method for GAIN, Cal-Learn, and NET, or use only the monthly rate ceiling for SCC, CAAP, and TCC. In the part-time In-Home/Exempt Care categories where only hourly rate ceilings are established, multiply the hours of care by the hourly rate ceiling for all programs.

Step 5: If Evening/Weekend Care is provided, multiply the rate ceiling identified in Step 4 by the 1.36 adjustment factor. The result is the Evening/Weekend Care Rate Ceiling.

In other words:

Rate Ceiling X 1.36 = Evening/Weekend Care Rate Ceiling.

If Special Needs Care is provided, multiply the rate ceiling identified in Step 4 by the 1.5 adjustment factor. The result is the Special Needs Care Rate Ceiling.<sup>3</sup>

In other words:

$$\text{Rate Ceiling} \times 1.5 = \text{Special Needs Care Rate Ceiling}$$

Step 6: Compare the rate ceiling amount to the actual cost of care. If the rate ceiling is higher than the actual cost, pay the actual cost. If the rate ceiling is lower than the actual cost, only pay the rate ceiling amount.<sup>4</sup>

---

<sup>3</sup> If a provider is providing care to a special needs child during evening/weekend hours, multiply the rate ceiling only once by the higher adjustment factor, which for this year is the 1.5 special needs adjustment factor.

<sup>4</sup> When notified about a change in the child care provider; a change in the hours of care; or when a child turns two, six, or thirteen years old; the rate ceiling for that child must be reviewed. When a revision is necessary, the change is effective the first of the following month. The only exception to the rule is if a child enters kindergarten at five years old and turns six years old later in the school year. The continued use of the two to five years rate ceiling is allowed for the remaining part of that school year. **THE PARENT MUST BE NOTIFIED OF ALL CHANGES TO THE RATE CEILING.**

**EXAMPLES FOR DETERMINING RATE CEILINGS:<sup>5</sup>**

- 1) An AFDC family consists of a mother, who is participating in a full-time GAIN component, and her 2 year-old child, Mary. Mary's mother goes to work for 8 hours a day for 5 days a week. Mary is cared for by a licensed family day care provider who charges \$85.00 a week for full-time care.

Hours of care: 8 hours of work + 2 hours transportation time per day X 5 days a week [(8 + 2 = 10) X 5] = 50 hours per week. (This is considered full time in GAIN.)

\$85.00 Weekly rate charged by Family Day Care provider  
\$105.00 FT 2-5 year-olds weekly rate ceiling (1.5 standard deviations)  
 \$85.00 Weekly GAIN child care payment

- 2) A TCC family consists of a father, who is working full-time, and his 10 year-old son, John. John needs 3 hours a day of after-school care, provided by a child care center that charges \$205.00 a month.

Hours of care: 3 hours per day X 5 days a week = 15 hours per week X 4.33 weeks per month [(3 X 5 = 15) X 4.33] = 64.95 hours per month. (This is considered PT in TCC.)

\$205.00 Monthly rate charged by the child care center  
\$220.00 PT 6+ year-olds monthly rate ceiling (75th percentile)  
 \$205.00 Monthly TCC payment (less the family fee)

**EXAMPLES FOR DETERMINING THE SPECIAL NEEDS CARE RATE CEILING:**

A GAIN family consists of a mother, who is working full-time, and her 14 year-old disabled son, Kevin. His mother takes Kevin to a licensed center for 8 hours a day for 5 days a week. The center charges \$675.00 a month.

Hours of care: 8 hours of work + 1 hour of transportation time per day X 5 days a week [(8 + 1 = 9) X 5] = 45 hours per week.

\$495.00 FT 6+ year-olds monthly rate ceiling (1.5 standard deviations)  
x 1.5 Adjustment factor for a special needs child  
 \$742.50 Special Needs Care monthly rate ceiling

\$675.00 Monthly rate charged by the child care center  
\$742.50 Special Needs Care monthly rate ceiling  
 \$675.00 Monthly child care payment

---

<sup>5</sup> THE FOUR CATEGORIES OF EXAMPLES UTILIZE GENERIC FIGURES THAT DO NOT APPLY TO ANY PARTICULAR COUNTY.

**EXAMPLES FOR DETERMINING EVENING CARE RATE CEILINGS:**

- 1) An SCC family consists of a mother and her 4 year-old daughter, Susan. The mother works from 4:30 p.m. until 12:30 a.m., 3 days a week. Susan's In-Home/Exempt care provider charges \$1.75 per hour for the hours between 4:00 p.m. and 6:00 p.m. and \$3.00 per hour for the hours between 6:00 p.m. and 1:00 a.m.

Hours of care:      **Standard Hours**  
 (4:00 p.m. - 6:00 p.m.)  
 1.5 hours of work + .5 hour of transportation time  
 X 3 days per week [(1.5 + .5 = 2) X 3] = 6 hours per week  
 X 4.33 weeks per month (6 X 4.33) = 26 hours per month of  
 standard care. (This is considered PT in SCC.)

**Evening Hours**  
 (6:00 p.m. - 1:00 a.m.)  
 6.5 hours of work + .5 hour transportation time X 3 days per week  
 [(6.5 + .5 = 7) X 3] = 21 hours per week X 4.33 weeks per month  
 (21 X 4.33) = 91 hours per month of evening care. (This is  
 considered PT in SCC.)

\$45.50                      Amount charged by exempt provider for standard hours  
 (26 hours X \$1.75 per hour = \$45.50 per month)

\$52.00                      PT 2 - 5 year-olds hourly rate ceiling (75th percentile)  
 (26 hours X \$2.00 per hour = \$52.00 per month)

\$45.50                      Lesser of the two above

\$273.00                     Amount charged by exempt provider for evening hours  
 (91 hours X \$3.00 per hour = \$273.00 per month)

\$247.52                     PT 2-5 year-olds hourly rate ceiling (75th percentile)  
 (\$2.00 per hour X 1.36 adjustment factor = \$2.72 per hour)  
 ( 91 hours X \$2.72 per hour = \$247.52 per month)

\$247.52                     Lesser of the two above

\$52.00	Maximum payment for standard hours
+ <u>\$247.52</u>	Maximum payment for evening hours
\$299.52	Maximum child care payment allowed
- <u>\$175.00</u>	Less amount disregarded through AFDC grant calculation
\$124.52	SCC eligible child care payment

- 2) A TCC family consists of a dad, who works 5 days a week, and his 9 year-old son, James. The dad's work hours fluctuate from day to day, but he always works between the hours of 3:00 p.m. and 3:00 a.m. (Monday-Friday) for a total of 40 hours every week. The 24-hour child care center providing care for James charges a flat monthly

rate of \$500.00 to all parents for care over 120 hours in the month.

Hours of care:       **Standard Hours**  
3 work hours + .5 hour transportation time = 3.5 hours per day  
X 5 days per week. [(3 + .5 = 3.5) X 5] = 17.5 hours per week  
X 4.33 weeks per month (17.5 X 4.33) = 76 hours per month  
of standard care. (This is considered PT in TCC.)

**Evening Hours**  
5 work hours + .5 transportation time = 5.5 hours per day X 5  
days per week [(5 + .5 = 5.5) X 5] = 27.5 hours per week X  
4.33 weeks per month (27.5 X 4.33) = 119 hours per month  
of evening care. (This is considered PT in TCC.)

Standard care monthly rate ceiling for PT 6+ year-olds in a child care center = \$263.00 per month.

Evening care monthly rate ceiling for PT 6+ year-olds in a child care center = \$263.00 X 1.36 adjustment factor = \$357.68 per month.

\$500.00	Monthly amount charged by the child care center
<u>\$620.69</u>	Rate ceiling for Standard and Evening Care ( $\$263.00 + \$357.68 = \$620.68$ )
\$500.00	Monthly TCC payment (less the family fee)

#### EXAMPLE FOR DETERMINING A WEEKEND CARE RATE CEILING:

A NET family consists of a mother who attends school from 8:00 a.m. until 5:00 p.m. on four Saturdays a month and her 2 year-old daughter, Hillary, who is cared for by a relative (In-Home/Exempt Provider) charging \$2.50 per hour.

Hours of care:       9 school hours + 1 hour transportation time = 10 hours per day  
X 1 day per week [(9 + 1 = 10) X 1] = 10 hours per week X 4  
Saturdays a month (10 X 4) = 40 hours per month of weekend  
care. (This is considered PT in NET.)

\$2.00	PT 2 - 5 year-olds hourly rate ceiling (75th percentile)
<u>x 1.36</u>	Adjustment factor for evening/weekend care
\$2.72	Weekend care rate ceiling per hour
\$2.50	Actual hourly cost of care
<u>\$2.72</u>	Evening/weekend care hourly rate ceiling
\$2.50	Hourly NET payment
\$100.00	Monthly NET payment ( $\$2.50$ per hour X 40 hours per month = \$100.00)
