COUNTY FISCAL LETTER (CFL) NO. 09/10-12

TO: ALL COUNTY WELFARE DIRECTORS  
ALL COUNTY WELFARE FISCAL OFFICERS

SUBJECT: FISCAL YEAR (FY) 2009-10 SINGLE ALLOCATION FOR THE  
CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS  
(CalWORKs) PROGRAM

This letter is to notify counties of the Single Allocation for the CalWORKs Program for FY 2009-10. A total of \$1.9 billion in federal Temporary Assistance for Needy Families (TANF) funds and General Fund (GF), inclusive of the budget reductions to Employment Services and Stage One Child Care, was made available upon approval of the FY 2009-10 Budget Act. The CalWORKs Single Allocation includes funding for the following program components: Eligibility Administration, Welfare-to-Work (WTW) Employment Services, Cal Learn, and Stage One Child Care.

Attachment I displays a summary of the final CalWORKs Single Allocation in federal TANF funds and GF. Attachments II through V display the detailed allocation for each program component: CalWORKs Eligibility Administration, CalWORKs WTW Employment Services, Cal Learn, and CalWORKs Child Care. Attachment VI provides a brief description of each of the allocation methodologies used for the components in Attachments II through V, inclusive of the methodologies as recommended by the County Welfare Directors Association (CWDA). Attachment VII exhibits a complete listing of program codes available for claiming to the CalWORKs Single Allocation. Expenditures charged against these program codes are tracked against the CalWORKs Single Allocation ledger on the quarterly County Expense Claim.

The CalWORKs Single Allocation includes a one-time transfer of \$12,000 to Santa Clara County, which is administering a contract on behalf of all counties for a consultant to provide statewide coordination of county implementation activities for the TANF Emergency Contingency Fund. Each county's share of the \$12,000 was calculated on a percent-to-total basis of the total FY 2009-10 Single Allocation.

The FY 2009-10 CalWORKs Child Care allocation includes \$32.8 million from the Child Care Reserve. The entire Child Care Reserve is being released at this time to offset

this year's budget decrease in funding for Child Care. As a result, no additional Child Care Funds will be available during FY 2009-10. Access to all the available Child Care funds early in the fiscal year will assist counties in managing their CalWORKs resources. As recommended by CWDA, these funds are being distributed on a percent-to-total of each county's FY 2008-09 Child Care Services allocation. Please note that this portion of the CalWORKs Child Care allocation is being issued as a planning allocation contingent upon approval by the Department of Finance and the Legislature.

Recent changes to the Welfare and Institutions Code (WIC), specifically WIC Section 11325.71(a), allow that for FY 2009-10 and FY 2010-11, counties may redirect funds from their CalWORKs Mental Health (MH) and Substance Abuse (SA) allocations to the Single Allocation to fund other CalWORKs employment services that are necessary for individuals to participate in WTW activities, and vice versa. Transfers to or from the MH or SA allocation to the Single Allocation, will be addressed in a subsequent CFL.

Any questions regarding this letter can be directed to [fiscal.systems@dss.ca.gov](mailto:fiscal.systems@dss.ca.gov).

Sincerely,
