COUNTY FISCAL LETTER (CFL) NO. 10/11-47

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY FISCAL OFFICERS

SUBJECT: FISCAL YEAR (FY) 2010-11 TITLE IV-E CHILD WELFARE WAIVER
DEMONSTRATION CAPPED ALLOCATION PROJECT (CAP)

This letter provides Alameda and Los Angeles Counties with the FY 2010-11 allocation for the Title IV-E Child Welfare Waiver Demonstration CAP that was approved by the federal Department of Health and Human Services on March 31, 2006, and was implemented on July 1, 2007. The allocation displays the capped allocation for federal Title IV-E, General Fund (GF), and county funds that was established upon approval of Alameda and Los Angeles Counties' participation in the CAP. This allocation also includes the FY 2010-11 Child Welfare Services budget reduction for both Waiver and Non-Waiver portions.

Attachment I displays the FY 2010-11 individual county allocation for the Waiver Base, Foster Care (FC) 101 Federal Medical Assistance Percentage (FMAP) Rate Increase, Carryover from FY 2007-08, Non-Base Waiver, and Non-Waiver activities:

- Waiver Base – The federal base allocation is the county's average of Federal Fiscal Year (FFY) 2003 through FFY 2005 Title IV-E actual expenditures for administration and assistance with an annual growth of two percent beginning in FFY 2006. The GF for FC Assistance is a capped base allocation based on the actual expenditures for FY 2005-06. For Child Welfare Services (CWS) related programs, CWS Basic, and FC Administration, the GF base allocation is based on the FY 2006-07 allocations with an annual growth of two percent beginning in FY 2007-08. Participating counties are required to provide funding equal to their FY 2005-06 actual expenditures. The allocation includes FC assistance payments and CWS administration costs but excludes costs for training, licensing related activities, adoption administration and assistance, non-recurring adoption costs and reimbursements, evaluation, and Statewide Automated Child Welfare Information System (SACWIS) costs.

- American Recovery and Reinvestment Act (ARRA) – FMAP (FC 101) – The ARRA of 2009 is a multi-year, federal economic stimulus program which provides increased federal funding to offset GF and county funds.
- Non-Base Waiver – These are GF costs for new program activities that are not included in the Waiver Base as well as some existing program activities not included in the Waiver Base, such as CWS Outcome Improvement Project funds. Some of these activities may be Title IV-E eligible; however, since the federal Title IV-E Waiver capped allocation cannot be increased, only the GF amount is provided for each of these activities. The funds for these activities were distributed to Alameda and Los Angeles Counties using the same methodology as the remaining 56 counties. Please refer to the FC Administration Allocation CFL No. 10/11-18 and CWS Allocation CFL No. 10/11-46 and any subsequent CFL for the methodology description and any claiming instructions related to the activities listed above. Funding for the Educational Stability premise will not be allocated for FY 2010-11 at this time due to pending new methodology.
- Non-Waiver Allocation – These funds are for all other activities within FC Administration and CWS that are excluded from the Waiver. These funds include non-Title IV-E activities as well as Title IV-E funded staff development, licensing, relative approvals, and SACWIS. The federal Title IV-E share of costs for these activities is not subject to a cap. The funds for these activities were distributed to all counties using the same methodology as in previous years. Please refer to the FC Administration Allocation CFL No. 10/11-18 and CWS Allocation CFL No. 10/11-46 and any subsequent CFL for the methodology description and any claiming instructions related to the activities listed above.

Please note that the federal Title XX funds displayed on Attachment I are transferred from the Temporary Assistance for Needy Families Block Grant and are used in lieu of GF. Unless otherwise identified, all federal funds are Title IV-E (CFDA #93658).

Attachment II displays the program codes used for this allocation. The administrative expenditures charged against these codes are claimed on the County Expense Claim (CEC), and the assistance expenditures are claimed on the CA800 FC Assistance Claim.

In accordance with the Memorandum of Understanding, Alameda and Los Angeles Counties will be allowed to participate in the annual close-out process along with the other 56 counties. Therefore, Alameda and Los Angeles Counties may receive a proportional share of any surplus GF available for redistribution. In order to participate in the annual CEC close-out process, the state will provide a Business As Usual (BAU)

CFL No. 10/11-47

allocation in a separate letter. This BAU allocation is for information only and will be used for close-out purposes.
