COUNTY FISCAL LETTER (CFL) NO. 10/11-77

TO: COUNTY WELFARE DIRECTORS
COUNTY WELFARE FISCAL OFFICERS

SUBJECT: FISCAL YEAR (FY) 2010-11 AUGMENTATION FOR THE
ADMINISTRATION OF THE IN-HOME SUPPORTIVE SERVICES
(IHSS) PROGRAM

REFERENCE: CFL NO. 10/11-70, DATED MAY 31, 2011
CFL NO. 10/11-34, DATED NOVEMBER 23, 2010

This letter informs the counties of an augmentation for the administration of the IHSS Program. The amounts identified on Attachment II display the augmentation to the IHSS allocation for FY 2010-11. The revised IHSS allocation, shown in Attachment I, reflects an increase of \$556,000 General Fund (GF).

Provider Enrollment Statement Form/Process

This premise reflects the costs associated with revising the Provider Enrollment Statement Form (SOC 426) to bring it into compliance with the requirements of Welfare and Institutions Code Section 12305.81, Senate Bill 1104 (Chapter 229, Statutes of 2004). The new enrollment form indicates that a person shall not be eligible to provide or receive payment for IHSS specific supportive services for ten years following a conviction of any felony and/or key serious misdemeanor crime. An augment of \$87,000 GF has been included for the Provider Enrollment Statement Form/Process based on a percent to statewide total using an unduplicated new provider caseload count. The Program Codes (PC) 103 and 104 capture costs associated with the Provider Enrollment Statement Form/Process and are tracked against the total IHSS allocation.

IHSS Program Integrity – Related Activities

This premise reflects the costs associated with mandatory orientation for all providers, reviewing and processing criminal offender record information, subsequent arrest

notifications, and appeals. An augment of \$18,000 GF has been included for the IHSS Anti-Fraud Initiative Related Activities based on a percent to statewide total using an unduplicated new provider caseload count. The PC 739 and PC 743 capture costs associated with the IHSS Anti-Fraud Initiative and are tracked against the total IHSS allocation.

3.6 Percent Across-the-Board Reduction Administration

This premise reflects the administrative costs associated with implementing the 3.6 Percent Across-the-Board Service Reduction for the IHSS Program. Assembly Bill 1612 (Chapter 725, Statutes of 2010) provides that a 3.6 percent reduction be applied to all recipients for IHSS services under the Personal Care Services Program, IHSS Plus Option, and Residual programs. It is assumed that the Social Workers (SWs) will require the following as a result of the reduction:

- Ten minutes to special handle the Notices of Actions to the assumed ten percent of the recipients.
- Five minutes to answer questions about the reduction coming from the assumed 25 percent of the recipients.
- Thirty minutes to complete a reassessment to the assumed two percent of the recipients.

The \$451,000 GF was distributed by multiplying the Social Worker rate by the amount of time needed for abovementioned processes based on the counties' monthly average IHSS caseload of the most recent available 12 months (May 2010 – April 2011). Finally, these funds were adjusted based on a percent to total of the available funds and ensuring a \$500 minimum floor for each county. The PC 103 captures costs associated with this premise and is tracked against the total IHSS allocation.

Any questions regarding this letter should be directed to fiscal.systems@dss.ca.gov.

Sincerely,
