SUBJECT: **CHILD SUPPORT COLLABORATION SURVEY**

The California Department of Child Support Services (DCSS)/California Department of Social Services (CDSS) collaboration survey is being resubmitted to your county for response. Because your input is vital to the development and understanding of the nature of collaboration between local agencies, we have extended the survey until January 31, 2011. Please submit only one response per county by close of business. We want to ensure that you have the opportunity to share current and successful activities with your county and other useful information. If you have already responded to this survey, please disregard this letter.

As part of that effort, and to identify and understand the nature of collaboration, challenges and best practices between the local partners, the DCSS has developed the attached survey (see link below).

Please complete this survey to ensure your county is represented. The DCSS will tabulate the responses and provide a statewide summary of the results. If you have any questions, your staff may contact Mahsa Patton of CDSS at (916) 654-1322 or Alice Galindo of DCSS at (916) 464-4868.
