SUBJECT: **SUBSIDIZED EMPLOYMENT SURVEY**

The California Department of Social Services (CDSS) Employment and Eligibility Branch is conducting a survey on county subsidized employment programs. The purpose of this survey is to gather the most current information available from counties on subsidized employment programs, including summer youth subsidized employment programs, that utilize funds from the Temporary Assistance for Needy Families (TANF) Emergency Contingency Fund (ECF) and learn about how subsidized employment will be affected by the expiration of ECF on September 30, 2010. The information provided will be used to respond to various inquiries from state and federal agencies, including the federal Administration for Children and Families (ACF) regarding California's subsidized employment programs.

Please go to http://www.kwiksurveys.com/online-survey.php?surveyID=HJEIOJ_72e38c4e and complete the online survey by October 11, 2010. If you have any questions about the survey, please contact Geoffrey Miller at (916) 654-6091. We appreciate your assistance and thank you in advance for your help in this matter.
