CDSS MANUAL LETTER NO. CCL-04-10

TO: HOLDERS OF THE COMMUNITY CARE LICENSING MANUAL, TITLE 22, DIVISION 6,
CHAPTER 6, ADULT RESIDENTIAL FACILITIES**Regulation Package #0802-20****Effective 1/16/04****Sections 85001, 85075.1, 85075.2, 85075.3, and 85075.4**

This manual letter has been posted on the Office of Regulations Development website at http://www.dss.cahwnet.gov/ord/AdultResid_625.htm.

In 1999, the legislature amended Health and Safety Code Section 1507.3 to permit a residential facility that provides care to adults to obtain a waiver from the Department to allow a client, who has been diagnosed as terminally ill by a physician or surgeon, to remain in the facility under certain conditions. These hospice regulations ensure consistency between the Adult Residential Facilities (ARF) licensing category and the hospice regulations recently amended for Residential Care Facilities for the Elderly by amending specific provisions in Chapter 6 of Title 22 of the California Code of Regulations governing ARFs; adopting new Sections 85075.1 and 85075.2 concerning Hospice Care and Facility Hospice Care Waivers; and adopting new Section 85075.3 regarding Advance Health Care Directives, and specifying that an Advance Health Care Directive is permissible. In addition, the numbering format of Section 85001 et seq. is being revised to be consistent with Title 22 regulations.

These regulations were considered at the Department's public hearing held on January 15, 2003.
