In CWDs that have staggered issuance, this shall be the first working day of the second calendar month, not the day benefits are issued using staggered issuance. This first working day of the calendar month issuance provision shall also apply to issuance in the third month for those migrant farmworker households needing out-of-state verification as outlined in Section 63-301.543(e). Households which apply for benefits after the 15th of the month and have been determined eligible to receive benefits for the initial month and the subsequent month but have had their verification postponed shall receive both allotments at the same time, in accordance with Section 63-503.16.~~
