## Introduction

The “Quarterly CalWORKs Report”, has been developed as an information tool to monitor the progress of the CalWORKs Program and provide periodic snapshots of the data for some key program components. This is the third quarterly report for State Fiscal Year 2008/09 and covers **April through June 2009**.

In 1999, the State of California Department of Social Services split the CalWORKs program into two segments, the “Separate State Program” for two-parent families and the “Federal Program” for single-parent and child-only segments. The “Separate State Program” was established to allow the State and counties to implement creative strategies and service delivery models to ensure these families are appropriately served by the CalWORKs program.

With the Federal Deficit Reduction Act of 2005, the Temporary Assistance for Needy Families (TANF) Program was reauthorized. Under this reauthorization, the Separate State Program component of the TANF Program was discontinued effective October 1, 2006. Therefore, references in this report identifying programs as “Federal Program” and “Separate State Program” have been revised as follows:

**Federal Program is now Federal Program – Single Parent Families**

**and**

**Separate State Program is now Federal Program – Two-Parent Families.**
