**TRENDS**

- In FY 13/14, 9.69% of Cal-Learn teen parent participants earned their High School Diploma.
- As of June 2014, 26,387 Cal-Learn teen parents have earned their High School Diplomas.
- The STAT 45 (7/11) form was in use during the Cal-Learn suspension period of July 2011 through June 2012, and also during the Cal-Learn Program restoration. County Welfare Departments had until April 1, 2013, to fully implement their Cal-Learn Program. The STAT 45 (7-11) form did not capture Teen Parents HS Diplomas.
